GERMANIA

Riferimento	EURES Germania - BB-570-HOGA
Mansione	employee (m/f/d) for our breakfast buffet - BB-570-HOGA
	<p>In Kreuzberg, almost like at home. A boutique hotel in Berlin's true centre! Where the geographical centre of the capital is located - in the middle of Kreuzberg, the Hotel the YARD is nestled in a green idyll. The inspiration for a green inner courtyard in the heart of a large metropolis came from Italy and this vision came true in the YARD. With the most famous garden archi-tect in the world, Enzo Enea, a green retreat was created, an oasis in the middle of a central location. Our hotel with 55 rooms is a refuge in the middle of the big city and not only shines from the outside in its high-quality and modern design! We are currently looking for an employee (m/f/d) for our breakfast buffet You will help us to set up and prepare the breakfast buffet, serve coffee and support the service team in other ways as well. A completed vocational training would be nice, but is not mandatory, we give lateral entrants a chance. You should be able to communicate with our guests in German and you have some English language skills as well. What is important to us are dis-tinctive host qualities and motivation. For applicants from abroad: The ZAV-International Placement Service supports your jobseeking in Germany. We are a department of the German Federal Employment Agency. Our services are free of charge. Citizens of EU Member states may have the possibility to receive financial support (for example travel expenses, language course).
